Client Referral Program

Life Extension is pleased to announce the establishment of its first ever “**Client Referral Program,**” allowing healthcare professionals who are members of our pool of part time agents (“Referees”) to earn extra money by referring paying clients (“Clients”) to our organization.

Life Extension will pay a one-time referral fee (the “Fee”) to the Referee for all services for which the Client engages Life Extension during the thirty (30) calendar day period starting the date of first engagement by the Client. The Client must pay its invoices in full in order for the Referee to be entitled to the Fee, and the Referee will be paid the Fee once the Client invoice is cleared.

The Fee due to Referees shall equal twenty percent (20%) of the profit earned by Life Extension servicing the Client, net of the costs of the attending healthcare professionals, any applicable transportation charges, any penalty or late fees, and any other extraordinary charges or costs.

Each Referee shall be entitled to only one Fee for each Client referred to Life Extension.
