### **Nurse Referral Program**

Life Extension is pleased to announce the establishment of its “**Registered and Enrolled Nurse Referral Program**”, allowing individuals (“Referees”) to earn extra cash by recommending their registered and enrolled nursing colleagues and friends to our organization.

Life Extension will pay a **one-time referral fee of HK\$250** to Referees who refer **Hong Kong-qualified registered and enrolled nurses** (“Nurse Referrals”) to Life Extension. The prospective Nurse Referral must:

- Successfully sign up to Life Extension’s panel of part time healthcare agents
- Successfully perform five (5) jobs of at least six (6) hours in duration each with one or more of Life Extension’s clients
- Meet basic, minimum performance standards, client satisfaction standards, and attendance levels during the assigned projects

Each Referee shall be entitled to only one referral fee for each individual Nurse Referral. Clinics or organizations that employ nurses as full time or part time employees, or agencies that refer part time nurses to third parties for a fee or commission, are not eligible for the Program.
